Dear Mr Park,

I hope you received all of my papers.

I was told that the debate between
 the Korean Council and the AWF was
 cancelled. However, I believe our
 meeting should take place as planned.

I will give both you and Ms Chi the
 most recent information and will talk
 about the strategy. Please, let me know
 the time and place, if you agree.

I am leaving Korea on 7 August and
 will come back on 24 August. It may
 be difficult to plan another meeting
 in near future.

With best wishes.

August 1st, E. Totsuka
