Dear Mr. Wonsoon,

It is a good idea to have a meeting with you in London. The JFA has been the only one to have a preliminary meeting. Although I am sure that you will be able to meet, this will be the first time that we have been able to meet within his request.

The next step is to visit the JFA office in London. I am sure that the JFA Centre for Human Rights will be able to provide Mr. Wonsoon with the information he needs to know about the situation in Japan. I will be able to tell you how long it will take.

After the debate inside the JFA, we must also have a meeting with the JFA. They have been made by the JFA and the JFA. The JFA World Conference in London will be a very important event and I think we will be able to meet with them. This is an internal agreement and I think we will be able to meet with them. There is a little possibility that the JFA will be able to meet with them. As a result, you may want to go to Seoul for Mr. Wonsoon.

I may be able to visit Seoul on the working day on Thursday (May 19/94) or Friday (May 20/94) or Saturday (May 21/94) or Sunday (May 22/94). I will be able to provide any assistance, if necessary.

Please give my best regards to the members of the JFA and Mr. Wonsoon.

With best wishes,

Sincerely Yours,

Hisako Totsuka
