Dear Park,

Thank you for your inquiry about the 1997 International Conference on Mobility International USA and the International Day of the Girl Child with Disabilities.

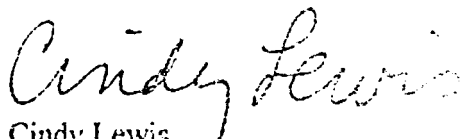

It is not too late to apply for a free travel scholarship to accept applications as long as they are accepted.

We have not decided how many scholarships we will give to each country. We will try to maintain a balance in the number of scholarships, but we will also try to accept as many as possible from countries where people with disabilities who are isolated and need help.

We look forward to receiving your application. Please feel free to contact me again if you have any questions.

For your information, we have decided the dates of the 1997 Conference:
June 1 - 14, 1997

Best wishes,

Cindy Lewis
