

1st Day

D

Opening

Time: Reconciliation

States-pol. interests rather than those of ind.

means of doing justice do it ourselves appalled by the atrocities - people around the world call for justice
hist significance of the Trib. - lasting legacy leaving records - beginning of a process - what will happen beyond the Trib. (* research ~~cent~~ efforts pooling in light of disclosure of J watkins records by the US)
courage of ~~for~~ ^{for} ~~times~~ ^{times} serve as a model for other women.
encourage them to come forward - conservative & male-dominated character of IL for the development of IL gender-sensitive

Patricia:

this perspective

part of enslavement - slavery opposite type of freedom
most original slaves = women - part of the pain of slavery gender
lose identity - power of ownership

continue till today - continuing crime - raise voices in
to future - PTSD refined & sharp -

indictment rewritten - emotional & intellectual process
(20.24.22.26) - dynamic process - attached on the overall
mission-vigorous - Y R 26 1/2 writing strategy
principal objectives - consolidated prose. Case

Objectives

1 - prosecutor's & further & better indictment

2 - what kind of judgment we want.

3 - various impacts

4 - put into force the Charter

element elaborates elements of crime/rules of
procedure

③

def. of sexual slavery people's / women's / not necessarily
a lot of justice.

Long - Some diplomatic effects - US not
culpable -

Tina presides Afternoon

• Law - when - 1945? today?

past acts.
present violation

Legal Framework

facts history.

defendants - Emperor.

reparation (compensation) - concrete recommendations
post war responsibility

• life-long damages - (Harm: trauma) extent - int present

existed but sanctified (sec. mutilates)
genocide - sexual slavery -

could have been tried

- the 1945 Law would have made crimes
even more so from the today's point of view
Looking at the development of LL.

Defendants

legal standards - proof -

company.

- ① character
- ② final decision [country int'l level] → goes to role & function
- ③ leave
