# Imprinting Our Image

An International Anthology by  
 Women with Disabilities

Edited by Diane Driedger and Susan Gray

"In this global tour de force, 30 writers from 17 countries provide dramatic insight into a wide range of issues germane to both the women's and the disability rights movement."

*Disabled Peoples' International*

"This book is full of discovery."

*Mobility International USA*

## Order Form

| Quantity                  | Title                | Retail                  | Total |
|---------------------------|----------------------|-------------------------|-------|
