Dear Cindy

RIDRIK has got MIUSA information recently. We are pleased to
be sent your letters.

We'd like to apply for MIUSA. However we are afraid it's time
too late to apply for that.

Therefore please let us know if it's possible to apply now. Also
when do we have to apply for that by?

In addition, how many applicants(not in group but in personal
application) can apply a country?

Also we'd like to know the exact dates of MIUSA. Please send
us your reply as soon as possible, we are waiting for that.

Best wishes,

Park
